SIS018N1 SIS BULLETIN BOARD 09/08/93 - 13:54
WHOLESALER PRODUCT LINES PAGE: 1

As of Tuesday 9/7/93 a new Wholesaler Product Line screen is available under Business Information - Direct Account Related Function. This program will address the many concerns and limitations that you were experiencing with the old program. You will receive a DM letter this week explaining how to use the new version. By Thursday 9/9/93 all the missing brand styles should be added to the list. The old version of the screens will remain available until Monday 9/13/93. After you receive the DM Letter instructions and use the new screens, call Danny Huneycutt ext. 1563 if you have any questions.
